REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: the prior art of record teaches a liquid crystal display substrate, comprising: a first substrate including at least one substantial region; a dummy region adjacent the at least one substantial region; a plurality of first spacers and a first sealant positioned in the at least one substantial region; and a plurality of second spacers wherein each of the plurality of second spacers are spaced apart from one another at a uniform distance. The prior art of record does not teach nor suggest a second sealant positioned in the dummy region and the second sealant is capable of being positioned in at least one open area created by spacing the second spacers apart from one another.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to James A. Dudek whose telephone number is 571-272-2290. The examiner can normally be reached on 9:00-5:30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert H. Kim can be reached on 571-272-2293. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
